

Supporting Readers Across Content Using Lexiles

This half-day virtual professional learning opportunity gives educators and coaches an understanding of the **Lexile Framework for Reading** and how it can be implemented in the classroom. Participants will explore the tools available on the Lexile Hub, evaluate current benchmark data to plan differentiated instruction, and develop a plan to apply a Lexile Hub feature in their own classroom during a dedicated **sandbox opportunity**.

OBJECTIVES:

- **Understand** the Lexile framework for reading and its foundational principles
- **Engage** in practice opportunities within the Lexile Hub tools and resource
- **Create a plan** for implementation of resources and information explored in the Lexile Hub

AUDIENCE:

- K-12 Educators
- Title I Educators
- Interventionists
- Library Media Specialists
- Literacy Coaches
