

CENTRAL REGIONAL STANDARDS-BASED TEACHING AND LEARNING

CREA Standards-Based Teaching & Learning is designed to support educators in their quest to intentionally deliver standards-based instruction for student learning. Educators will gain knowledge and tools to hone quality instructional practices for effective teaching of ND Standards and student success.

ND Standards outline the essential knowledge and skills students need to be successful in college, careers, and life, thus preparing students for real-world challenges and opportunities.

SCOPE & SEQUENCE

1 Exploration Session

Learn more about CRSBTL by viewing the recording [HERE](#).

2 Needs Intake Session

Meet with CREA facilitators for an intake session. Sign up for a session [HERE](#).

3 Our School Journey

Schools will plan for all or some of the professional development opportunities as part of a unique CRSBTL plan aligned to identified needs.
