

FACILITATED BY

UFLI Implementation

Community of Practice

UFLI Foundations is an explicit and systematic program created by the team at the University of Florida Literacy Institute, introducing students to the foundational reading skills necessary for proficient reading.¹

Are you ready to take your reading instruction to the next level?

Join the UFLI Implementation Community of Practice designed to support educators in their implementation of the UFLI Foundations program!

This opportunity provides access to guided facilitation of the open source **asynchronous UFLI training, data analysis, and implementation planning support**.

Objectives:

- Understand the conditions necessary for successful implementation (time commitment, complimentary materials, etc.)
- Evaluate the scope and sequence of the supplementary intervention resource
- Create a plan for implementing the supplementary intervention resource, based on data

Audience:

- Elementary educators, interventionists, literacy coaches, paraeducators

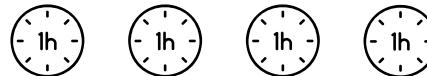

SCOPE + SEQUENCE

Virtual Training
