

Reading Benchmark Data Analysis

IMPLEMENTATION SUPPORT

DESCRIPTION

Educator teams will **observe and experience a developed reading benchmark data system through a fishbowl experience** from which the team will **build their own reading benchmark data system**. Each team will participate in a pilot data day with technical support working toward 'next steps' targeting sustainable implementation of the reading benchmark data analysis system.

SPRING 2026 SCOPE & SEQUENCE

Register Today!

SESSION	DATE	TIME	LOCATION
Session 1: Fishbowl Experience Must Knows	Jan 6	8:30–9:00am	Virtual
Fishbowl Experience	Multiple Locations – following session #1		
Leveraging Reading Diagnostic Assessment Tools (choose one)	Jan 13	8:30am–3:30pm	Minot
	Jan 15	8:30am–3:30pm	Bismarck
Session 2: Organizing the Data Team	Jan 27	8:30am–3:30pm	Virtual
Session 3: Preparing for Data Day – Organizing Data for Analysis	Feb 10	8:30am–3:30pm	Virtual
Session 4: Preparing for Data Day – Data Analysis + Response Plan	Feb 26	8:30–9:30am	Virtual
Session 5: Response Implementation	March 11	8:30–9:30am	Virtual
Session 6: Data Analysis Support + Progress Monitoring	April 1	8:30–9:30am	Virtual
Pilot Project	To be completed during the Spring Benchmark time period
